## To Debate Red Verdict

Oslo, Nov. 29 (Reuters)—  
The Norwegian Parliament will  
debate the sentence of 18  
months in a labor camp passed  
by a Soviet court on American  
tourist Newcomb Mott, 27, who  
crossed the Soviet-Norwegian  
frontier illegally early in Sep-  
tember.

Karl J. Brommeland, member  
of Parliament, asked whether  
this sentence would have any  
effect on forthcoming talks  
between Russia and Norway on  
an agreement for continued  
visits by Scandinavian tourists  
to the Boris Gleb area, where  
Mott crossed the border.
